Spartanburg Water Receives United Way Awards

Spartanburg Water is pleased to announce that the organization has received two United Way of the Piedmont Awards for the 2010 – 2011 Campaign Year.

The United Way of the Piedmont **Creativity Award** is awarded for creative involvement of employees and innovative use of a campaign theme. Spartanburg Water received recognition for its First Annual Pumpkin Pedal held on October 30, 2010. The ride took cyclists on two scenic routes of 32 and 67 miles throughout Spartanburg Water's lakes and surrounding watersheds. All proceeds were donated to the United Way.

The United Way of the Piedmont **Circle of Excellence Awards** is presented to companies for fully supporting United Way of the Piedmont through corporate giving, employee giving, volunteer activities and achieving excellent results in all facets of their workplace campaigns. This is the third consecutive award for Spartanburg Water after another very successful annual campaign highlighted by continued strong employee giving and support of the organization's Day of Service community volunteer projects.

Spartanburg Water continues to be committed to protecting public health, being good stewards of the environment, and supporting our community's desired quality of life, as demonstrated by the receipt of these awards.
