**S. C. Chamber of Commerce Commendation of Excellence Safety
Program Awards Presented to Spartanburg Water**

Spartanburg Water officials announced that twelve facility locations received Commendation of Excellence Safety Program Awards for 2009 safety performance at the South Carolina Chamber of Commerce Safety Awards Luncheon. On March 16, 2010, in Columbia, S.C., the SC Chamber of Commerce presented Commendation of Excellence Safety Program Awards for the following Spartanburg Water facilities:

Engineering	Human Resources
Lake Blalock	Lake Bowen
Landrum Water Treatment Plant	RB Simms Plant
Water Quality Lab	Maintenance Complex
Operations Department	Administration
Blalock Water Treatment Plant	Inventory Control/ Fleet Services

These awards are presented to S.C. Companies who have demonstrated safety program excellence and performance in 2009. The twelve awards represent every facility that was eligible.

Spartanburg Water's staff continues to be committed to being good stewards of the environment, protecting public health and ensuring employee safety, as demonstrated by the receipt of these awards.

Spartanburg Water – An Award Winning Utility
